Bike Plan Survey Methodology

- The Houston Bike Plan Survey was available to take at www.HoustonBikePlan.org from May 31 to July 20, 2015
- Focus of the Survey was to get input on goals and opportunities to improve bicycling in Houston.
- It was one or many opportunities for people to provide input on the plan development which also included community and civic meetings, special events, and other online tools such as an interactive map and discussion forum.
- The survey was publicized through the public meetings, email blasts, press releases, and coordination with other community partners such as Bike Houston, H-GAC and management districts.
- Over 2,800 people participated in the online survey and over 800 additional comments were received through other methods of input.
