

Third Ward Bikeways Safety Project

Complete Communities Workgroups Meeting

Infrastructure & Mobility; Neighborhood Character; Housing; Parks & Community

Date: 05/08/18 | Location: Library Coffee and Wine House

Meeting Purpose

To re-introduce the City-County bikeways project to the leaders of the Complete Communities' workgroups (i.e. Mobility & Infrastructure, Neighborhood Character, Parks & Community Amenities and Housing). An explanation of Precinct One funding and project scope was given by City of Houston staff. Staff also talked to attendees to learn the best way to engage the community moving forward.

What we heard...

- Community is "planning fatigued"
 - Stated that enough research and planning has been done in the past
- Refer to the Third Ward Comprehensive Needs Assessment report
- Consider people that ride bikes for leisure, not just commuters
- COH staff should engage the community during Complete Communities meetings and/or civic club meetings
- Residents are interested in unique engagement activities that allow open discussions.
- Attendees suggested that COH staff work with the Third Ward Complete Communities Infrastructure & Mobility workgroup

Action items

- Review the Third Ward Comprehensive Needs Assessment
- Meet with Third Ward's Complete Communities Infrastructure & Mobility workgroup
- Organize Community Workshop
