

Third Ward Bikeways Safety Project

Complete Communities Workgroup Meeting

Infrastructure & Mobility

Date: 05/17/18 | Location: Third Ward Multi-Service Center

Meeting Purpose

To discuss the City-County bikeways project to the leaders of the Complete Communities Mobility & Infrastructure workgroups, including an explanation of the project funding and scope. Staff also talked to attendees to find out the preferred routes and when the public meeting should take place and who needed to be involved.

What we heard...

- Alabama is an important street
 - Heavily used for biking and walking
 - Needs to be safer (e.g. speed limits, 4-way stops)
 - Street pavement is good but sidewalks need work
- Sidewalks are a hazard for the elderly specifically
- Cuney Homes needs to be involved in bikeway plans
- Community requested that we invite local officials as well as TSU, U of H and Metro representatives to the community workshop
- Residents mentioned that Washington Terrace area has received funding for sidewalk re-pavement and street reconstruction between Alabama and TSU

Action items

- Finalize community mobility workshop date, time, location and agenda
- Update Third Ward proposed bikeways map with suggested routes
