

# Third Ward Bikeways Safety Project

## Super Neighborhood #67 Meeting

Date: 06/21/18 | Location: Third Ward Multi-Service Center

### Meeting Purpose

To provide the community with an update of the rapid bikeway implementation network project since the June 6<sup>th</sup>, Third Ward Community Mobility Workshop. Project team considered all of the routes from the mobility workshop and determined which routes were feasible based on a preliminary assessment. A handout with the updated Third Ward bikeway network map was distributed to attendees. Staff informed the community that a more thorough analysis will need to be conducted to determine the final network and that the City will continue to work with the Complete Communities Infrastructure & Mobility workgroup to keep the community informed of any updates.

### What we heard...

- There was not any opposition from the community expressed at this meeting
- One community member was excited to learn that Elgin, a route that he and others requested at the Third Ward Mobility Workshop, was being considered
- Other questions were raised about the definitions of the Phase 1/ Phase 2 classifications described on the Third Ward bikeway network map
  - Staff answered the questions at the meeting and provided an explanation of each classification on the Bike Plan website

### Action items

- Update the Third Ward webpage on the Houston Bike Plan website with all updates from the meetings
