with the City, TIRZs, TxDOT, BikeHouston, and others. The hard work is paying off.

- 3) Approval of April Minutes. **Motion:** Holzer. **Second:** McReynolds. **Vote:** Unanimous
- 4) Approval of Maintenance Report. **Motion:** Wiggins. **Second:** Holzer. **Vote:** Unanimous.
- 5) Public Comment.
  - Ed Pettitt: Why isn't Cleburne on the Precinct 1 list? The section between TSU and Emancipation has not broken ground yet and the sidewalks need accessible ramps.
  - Ben Peters: New cyclist in Houston and finds it hard to know where it is safe to ride. He encourages the city to have more pop-up events or have the events last for longer periods.
  - Veon McReynolds: Feels that better signage for cyclists should be posted throughout the city. Some routes require sharp turns and could use better warning.
  - Michael Morris: Second ward resident that wants to highlight areas that need improvement. Harrisburg and Drennon near the Harrisburg trail could use more stop signs and repairs to the ones that exist.
